As a composer, Deaton has placed several original instrumental compositions in commercials and on cable television programs. As a performer, he is a member of Buffalo Nickel, a nationally-known rock band who has shared the stage with groups like Maroon 5, Wilco, Junior Brown and Leon Russell.

Deaton given Humanities Award

Ridgeland Instructor Steve Deaton received the 2011 Humanities Teacher Award for Holmes Community College, on behalf of the Mississippi Humanities Council. As a part of the award, Deaton presented "The Balladeers: Great Stories in Five Minutes or Less" on, both, Grenada and Ridgeland campuses. The narrative ballad is one of the oldest poetic traditions in the English language, Deaton explains.

"Unlike the other great oral tradition, the epic, these narrative ballads pack poignant and entertaining tales into the very limited space of five minutes or less," he said.

Deaton discussed the nebulous origins of these traditional songs and traced their influences throughout the centuries up to and including the modern craft of popular songwriting.

As a part of the presentation, Deaton performed selected songs along the way as he took audience members on a musical tour through history.

The repertoire began with traditional English, Scottish, and Irish ballads, then traditional American ballads, 19th century ballads and finally the 20th century ballads of Woody Guthrie, Bob Dylan, Bruce Springsteen, Randy Newman, Tom Waits and Townes Van Zandt.

Steve Deaton is a native Mississippian and Professor of English at Holmes Community College. He is a graduate of Decatur High School and holds a B.A. in English from the University of Southern Mississippi and a M.A. in English from Mississippi College.

Deaton has served as an advisor for Phi Theta Kappa Honor Society for 14 years and was recognized nationally for his service within that organization. He has also served as president of the Mississippi Community College Creative Writing Association.

Deaton and his wife, Suzanne, live in Madison with their five-year-old daughter, Ana

Burnham Named VP

“My vision for this campus is to provide a ‘world-class’ education to students beginning the moment they drive onto our campus and ending when they exit this campus,” he said. “Every job performed and each class attended on this campus is an opportunity to educate and prepare students to compete in today’s global environment.”

Holmes Community College has recently named Dr. Don Burnham as Vice President of its Ridgeland Campus.

“The opportunity to work with the outstanding faculty, staff and support personnel on the Ridgeland campus is inspiring,” he said. “During the past 6 years this campus experienced a more than 50% growth in enrollment and an expansion in facilities to accommodate this student population. Throughout this period, the focus never deviated from providing the highest quality education possible to the students on the Ridgeland campus.”

Burnham was appointed following the retirement of Holmes alumnus and longtime employee Joe Adams, who served the college for more than 35 years.

“We must learn from this past success to build for the future,” Burnham said. “I am looking forward to my work on this campus, knowing that the goal of everyone here is to put our students in a position to compete with anyone in the world.”

Born in Laurel, Dr. Burnham is a lifelong Mississippi resident. After graduating from Laurel High School, Burnham went on to Mississippi State University, where he

earned his Bachelor of Science in both Business Management and Forestry. He went on to earn his Master of Business Administration in Management.

Burnham completed his Doctorate in Higher Education at the University of Mississippi.

Before coming to Holmes, Burnham worked in Oxford, where he spent 25 years working in various capacities for Georgia Pacific.

Dr. Burnham came to Holmes in 2003, as a Business and Administration Instructor. In 2006, Burnham took over as Director of Evening Programs at

Grenada Center, before being appointed Director of Admissions and Records in January of 2007.

As Vice President of Holmes Burnham said he hopes to continue a legacy of what he describes as “world-class” education for its students

A Breath of Fresh Air

Ridgeland Kicks the Habit

A new policy has Ridgeland Campus students, faculty, staff and visitors breathing easier. Effective on Valentine's Day, tobacco use is no longer permitted on school grounds and smoking is confined to vehicles.

This policy came about as a result of the Alpha Lambda Sigma Chapter of Phi Theta Kappa, as a part of their college project for the organization.

Students began the process by doing what students do best...researching all aspects of the proposed project.

Students worked with campus administrators, faculty and staff members, and national organizations to make a plan of action, which included campus-wide forums and awareness campaigns related to the shift in policy.

Additionally, students worked with groups like the American Lung Association and the Mississippi Tobacco Quitline as a means to provide members of the Holmes Community with resources related to tobacco cessation.

Alpha Lambda Sigma President Dallas Bryant and American Lung Association Vice President for Public Policy Jennifer Cofer address faculty and staff about the benefits of becoming a tobacco-free campus.

Former NASA Astronaut

Former NASA Astronaut Fred W. Haise Jr. was this year's featured speaker, as a part of the HCC English and Modern Foreign Language Arts and Letters Series in Goodman. Haise was a research pilot and an astronaut for the NASA from 1959 to 1979.

He began his NASA career at the Lewis Research Center in Cleveland, Ohio (today the Glenn Research Center), in 1959. He transferred to NASA's Flight Research Center at Edwards, Calif., in 1963, where he served for three years as a research pilot until being selected to become an astronaut in 1966 and reassigned to astronaut training at the Johnson Space Center in Houston.

His best-known assignment, at what is now named the Dryden Flight Research Center, was a pilot of wingless lifting bodies.

Haise also flew a variety of other research and support aircraft, including the variable stability T-33A to simulate the A2-F2 heavyweight lifting body, several light aircraft including the Piper PA-30 to evaluate their handling qualities, the Apache helicopter, the Aero

Among his awards are the Presidential Medal of Freedom, the Haley Astronautics Award, the General Thomas D. White Space Trophy, the NASA Distinguished Service Medal, the NASA Exceptional Service Medal, and the NASA Special Achievement Award.

Commander, the Cessna 310, the Douglas F5D, the Lockheed F-104 and T-33, the Cessna T-37, and the Douglas C-47.

Haise was born in Biloxi, Miss., on November 14, 1933. He underwent flight training with the U.S. Navy, completing that in 1954 and becoming a fighter pilot with the U.S. Marine Corps from 1954 to 1956. He also served as a tactical fighter pilot with the U.S. Air Force from October 1961 to August 1962.

Meanwhile, he graduated with a B.S. in aeronautical engineering from the University of Oklahoma in 1959. Later, he graduated from the USAF Aerospace Research Pilot School at Edwards Air Force Base in 1964 as its outstanding graduate. He is an Associate Fellow of the AIAA and Fellow of the Society of Experimental Test Pilots.

Grenada Center

Breaking New Ground

The new state-of-the-art facility will place a strong emphasis on medical-related fields.

Holmes Community College recently broke ground on a \$3.5 million building project on the Grenada Center campus. City, county and chamber representatives joined officials from Holmes and the University of Mississippi, as they broke ground on the new building, which is expected to be ready for students by fall of next year.

"This is a big day for Grenada and for Holmes Community College," said Vice President Dr. Jim Haffey. "It is our hope that this building will continue to provide meaningful educational opportunities for the future leaders of our county, city and state."

Haffey said the new building project comes "at the perfect time."

"Since opening this campus, Grenada Center has continued to grow—so much so that we are bursting at the seams," Haffey said. "Our Academic Dean Dr. Martha Cofer and Director of Career Technical Education Dwight Myrick have done an excellent job creating space the last two years as we have continued to grow and expand."

The new building will be located between the school's main building and Grenada Lake Medical Center. The majority of the building is being funded through existing millage, while the remainder is coming from school funds and a donation made through Forward Grenada, Haffey said. This state-of-the-art facility will place a strong emphasis on medical-related fields—housing three biology labs, a general classroom, a large seminar room, computer lab, office complex and video classroom.

Also in the works is a suite dedicated to building the school's relationship with the University of Mississippi, Haffey said. "We are very proud of our relationship with Ole Miss," Haffey said. "This new building is going to provide them with much-needed space necessary for them to expand their current bachelor's and master's-level program offerings."

The project is also going to allow the school to expand program offerings. The new building will be home to the school's newest program offering—the Physical Therapy Assistant Program.

The Vienna Boys' Choir performed at Grenada Center, as a part of the Grenada Arts Partnership, which is currently in its fifth season. The Vienna Boys' Choir began as a six-member chorus more than five centuries ago in the royal court of Emperor Maximillian I. Until 1918, the small choir sang exclusively at private concerts and on state occasions. Today, there are 100 choristers, ranging in age from 10 to 14 years old, divided equally into four touring choirs, who perform in front of half a million people annually throughout Europe, Asia, Australia and North and South America.

The choir's repertoire includes medieval, operatic and contemporary arrangements and often includes experimental pieces. Past members of this notable group include composer Franz Schubert and conductors Hans Richter and Clemens Krauss. Musicians like Heinrich Isaac, Wolfgang Amadeus Mozart, Antonio Caldara, Antonio Salieri and Anton Bruckner have worked with the choir.

Vienna Boys Choir

The Vienna Boys' Choir is divided into four sub-groups or touring choirs. The choirs are of equal standing; the tours, appearances in Vienna and recording projects are shared among them. Each choir has a choirmaster, and two tutors or prefects who travel with the boys.

The choirs are named after famous Austrian composers associated with the choir's history, Bruckner, Haydn, Mozart and Schubert. The choir still performs much of their music.

A few of our favorite
people and things.

Fashion Trends

Moccasins:

Moccasins were another shoe staple for tons of people this year. From leather to suede and even Ugg slippers, moccasins were another hit.

Scarves:

Colors, prints, textures and sizes aside; all scarves were a hit in 2011-2012. Whether it was functional or merely fashionable, scarves definitely did the trick this year.

Small Purses:

Convenient and compact, these cute and fashionable bags mixed style and function. Big enough to store what you need, and small enough to take with you just about anywhere.

Riding Boots:

Riding boots definitely beat out Ugg boots in popularity this fall/winter season! Worn with everything from jeans to jeggings to dresses, these boots were a staple in almost everyone's closet this year.

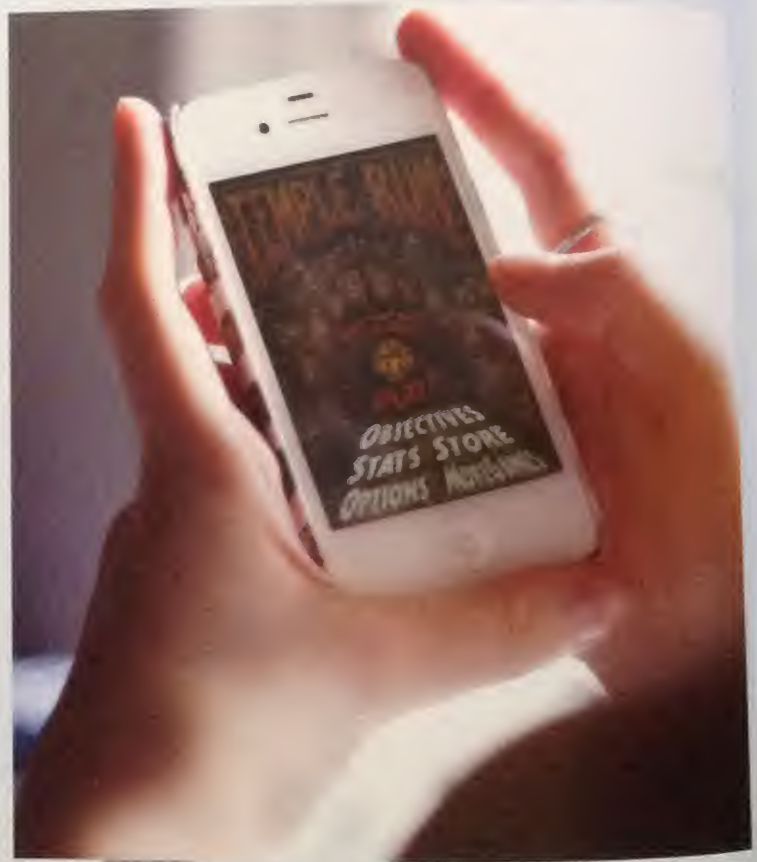

Lifestyle Trends

adele: Starting off by "Rolling in the Deep," Adele made everyone fall in love with her soulful sound when she "Set Fire to the Rian." There is no explanation needed to see why "Someone Like You" would love her music.

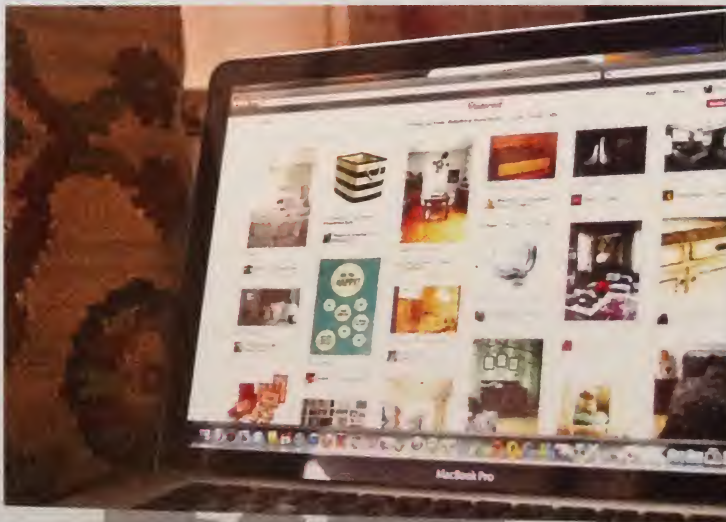

Temple Run:

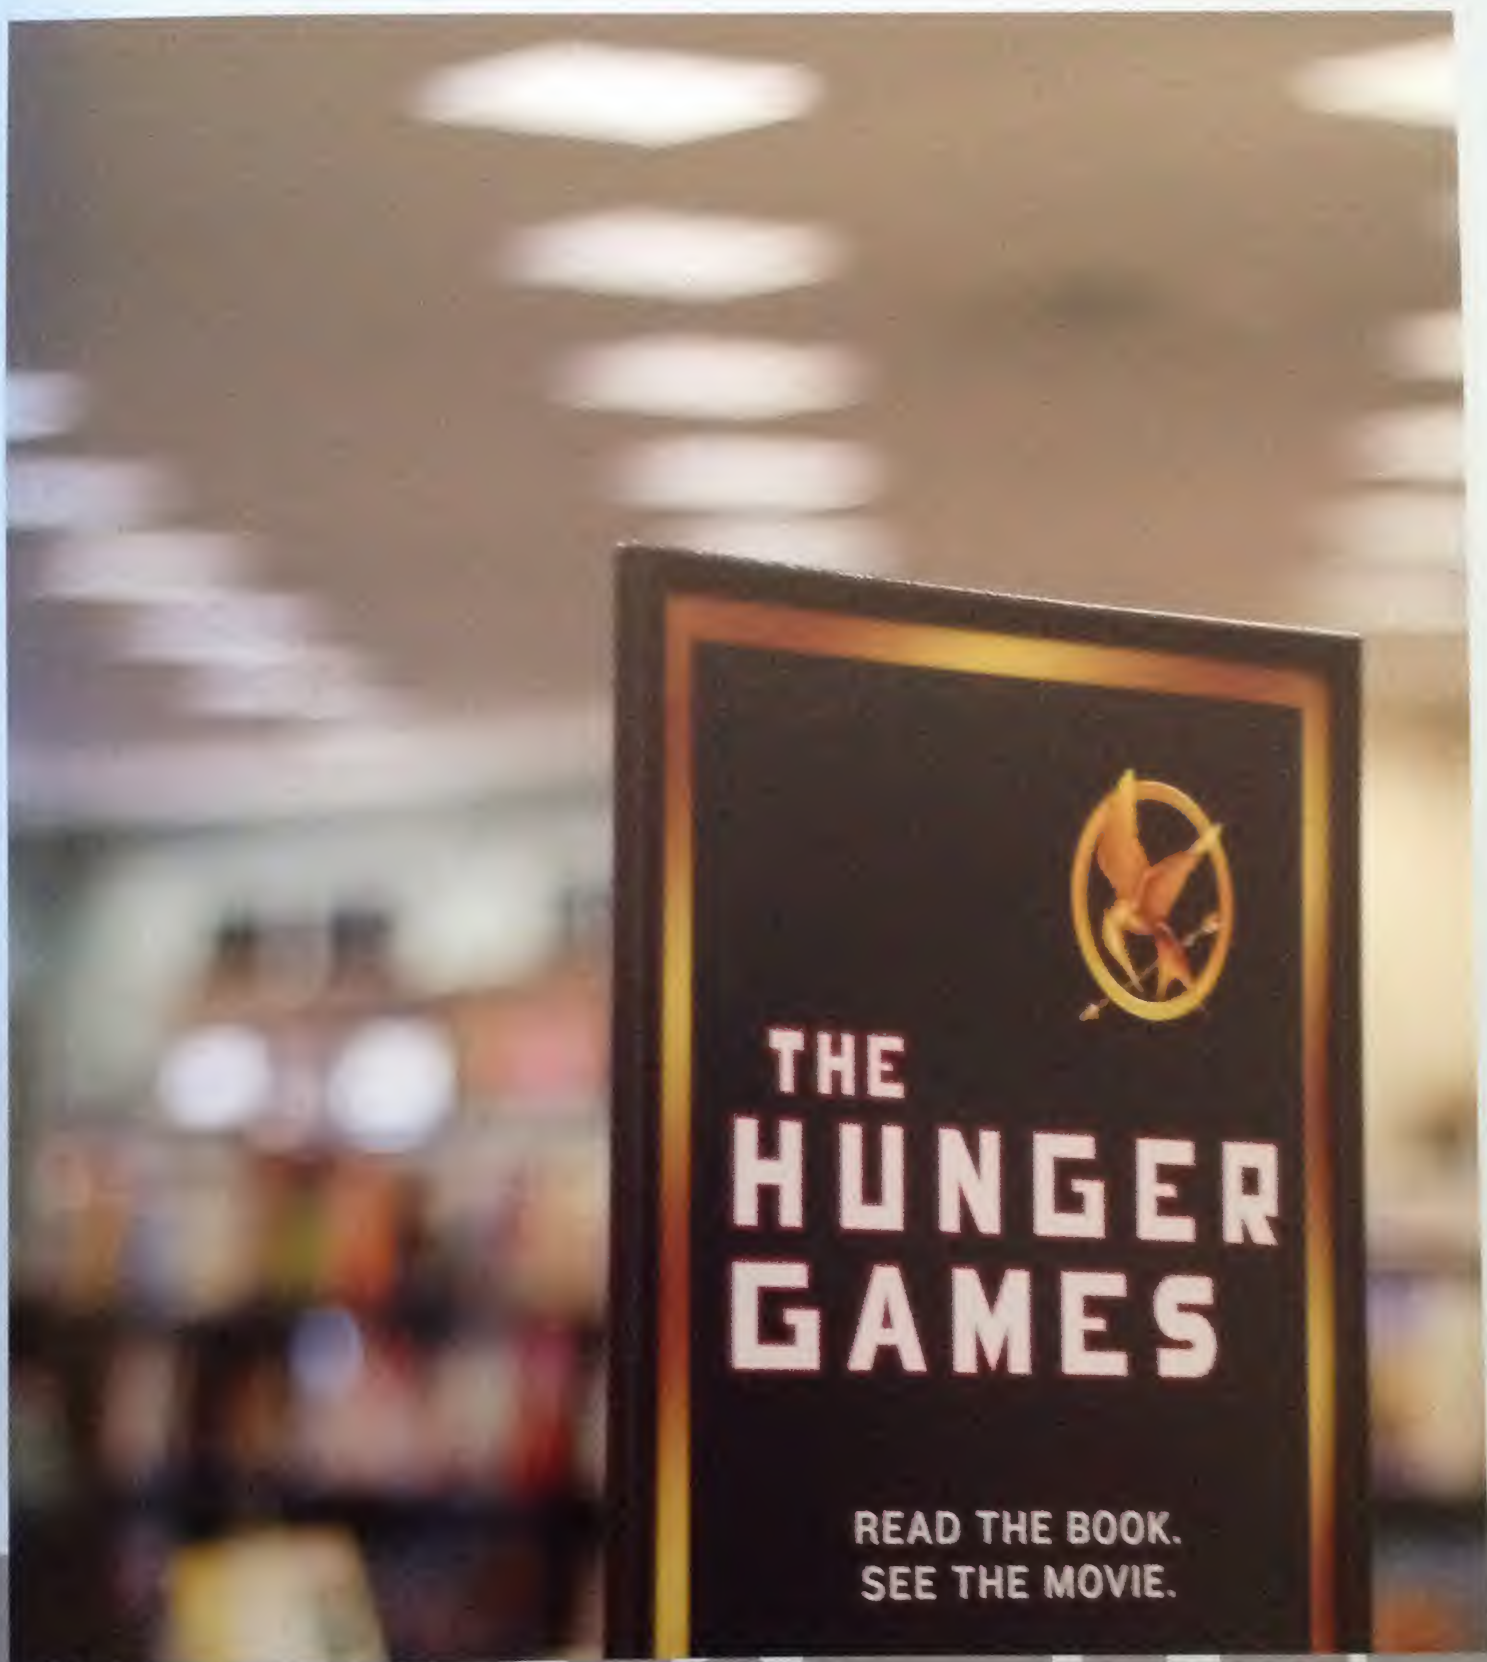

Temple Run was without a doubt one of the most popular apps this year. Who knew that running from zombie monkeys could be so addictive?

Pinterest:

From crafts and wedding ideas for girls to cars and sports for guys, Pinterest kept everyone crafty and in the know! The capability to make your own boards of likes and ideas was infectious this year.

THE HUNGER GAMES:

Katniss, Peeta, and Gale. The love triangle and action-packed trilogy became popular this year with talk of The Hunger Games movie premiering in March.

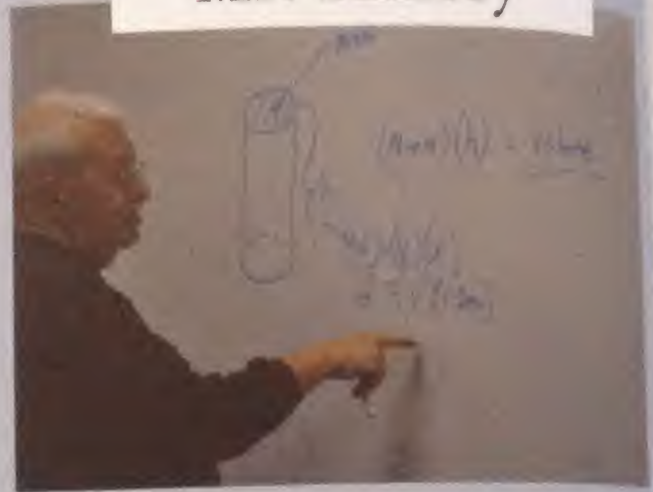

A Few of Our Favorites

Student Name: Madison Huse
Major: Engineering
Classification: Sophomore

Who is your favorite instructor and why? Mr. Shirley uses real life examples, and takes us through them step by step.
What has he taught you? In the two courses I have taken under Mr. Shirley, I have really learned how to use what resources I have and to really appreciate how advanced technology is in our day.

How do you plan to use what you've learned? I plan to use what I've learned by taking difficult challenges and problems and breaking them down step by step, and by taking advantage of technology as a resource.

Mr. Shirley

Student Name: Amber Clincy
Major: Liberal Arts
Classification: Sophomore

Mrs. Arnett

Who is your favorite instructor and why? Mrs. Arnett is my favorite because she challenges our minds as students. She is not only nice and sweet, but she is a fantastic English teacher, as well.

What did you learn? While in her class, I learned how to become a better writer and reader. The books we read in her class were fun, but they were not something that I would normally read. I also learned how to broaden my vocabulary and my research skills.

How do you plan to use what you've learned? As an English major, I plan to use my research and writing skills when I complete my B.S. degree and enter law school. Good writing skills are essential to success in law school and I am glad I had Mrs. Arnett to guide me in the right direction.

Student Name: Jordan Clark
Major: Engineering
Classification: Sophomore

Who is your favorite instructor and why? I enjoy Mrs. McLellen and her class because it is always so fun and she is always unpredictable.
What have you learned? I have learned many great things in her class that can be used in my everyday life.

How do you plan to use what you've learned? Her class has taught me great study skills that will help me greatly in the future.

Mrs. McLellen

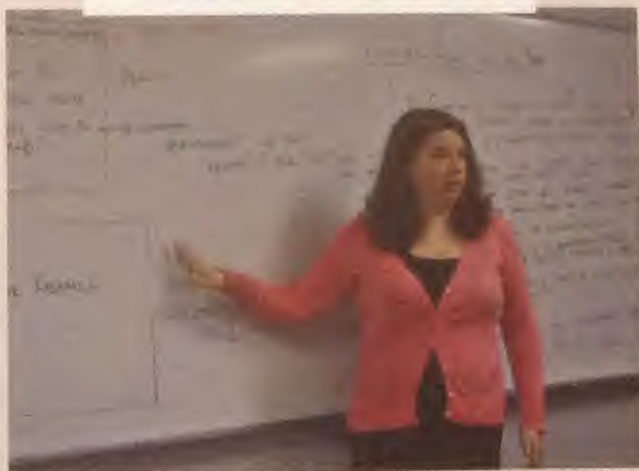

Name: Bridget Mitchell
Major: English
Classification: Sophomore

Who is your favorite instructor and why? Mrs. Brown teaches a subject I really enjoy, and she adds extra excitement and challenge.

What did you learn? I've learned that the more interested and involved I am in an assignment, the better I usually do on it. Plus, I've learned, that if I pretend I am doing an assignment for fun instead of an assignment, I tend to take that assignment more positively, and I get more out of it that way.

How do you plan to use what you've learned? I'll look at all my assignments as if I chose to do them, and when I get the chance to choose, I'll choose something that interests me.

Mrs. Brown

Mrs. Canard

Student Name: Samantha Clark

Major: Engineering

Classification: Freshman

Who is your favorite instructor and why? Mrs. Canard is very smart and knows the subject she is teaching very well. She also makes the subject very interesting to the listener. She allows you to interact in her classroom. She also compares parts of history to events that are actually occurring today.

What did you learn? I learned from Mrs. Canard that even though life presents you tough situations, if you try your best and put time and effort into the situation, you can succeed in whatever it is.

How do you plan to use what you've learned? Whenever I am faced with a tough situation, I will try my best in whatever the situation is, put time and effort into the situation, and will do what I can to succeed.

Student Name: Cody Thomas
Major: Pre-Med/ Biological Engineering
Classification: Sophomore

Who is your favorite instructor and why? Mrs. Poole tries to involve herself in more than just the classroom. I believe that she really tries to get to know her students. She challenges her classes, while at the same time knowing that her students have the potential to excel.

What did you learn? I have learned many things from Mrs. Poole. I've learned most everything that I need to know in the chemistry area. Other than her Chemistry classes, she has also taught me many different study and social skills.

How do you plan to use what you've learned? Everything that I have learned will be instrumental in all areas of my future success.

Mrs. Poole

A Few of Our Favorites

Student Name: Allie Shepard
Major: Marketing
Classification: Sophomore

Why? When I was growing up I never liked history, my teachers always made it boring. Mr. Switzer actually makes you want to come to class and learn about what happened.

What did you learn? I've learned a lot of things I never thought I would about history. I've learned that history can be interesting.

How do you plan to use what you've learned? History doesn't pertain to my major but I will use it in my way of thinking.

Mr. Switzer

Mr. Staples

Student Name: Jerry Tyler Watson
Major: General College Studies
Classification: Freshmen

Why?: Mr. Staples makes it enjoyable to wake up and come to class at 8 o'clock for Public Speaking. He has a great personality and he is a wonderful teacher.

What did you learn? I've learned how to become a better listener and how to actually speak in front of other people without being so nervous.

How do you plan to use what you've learned? I aspire to be a fashion designer and I will be speaking in front of people for the rest of my life.

Student Name: Sara Gatlin
Major: Graphic Design
Classification: Sophomore

Why? Mrs. Lindsey really reached out to me my first year at Holmes and made me feel a lot more comfortable in my first year of college. She encouraged me to do things I wouldn't normally do and I am really thankful for her helping me branch out.

What have you learned? I learned that I can do anything I set my mind to with a little hard work.

How do you plan to use what you've learned? I think what I've learned from her can apply to all kinds of scenarios, so I'm lucky to have had this chance to meet her and use what she's taught me out on my own.

Mrs. Lindsey

Student Name: Haley Morgan
Major: General College Studies
Classification: Freshman

Why? She includes the class really well in discussions, and makes the class extremely fun and easy to learn.

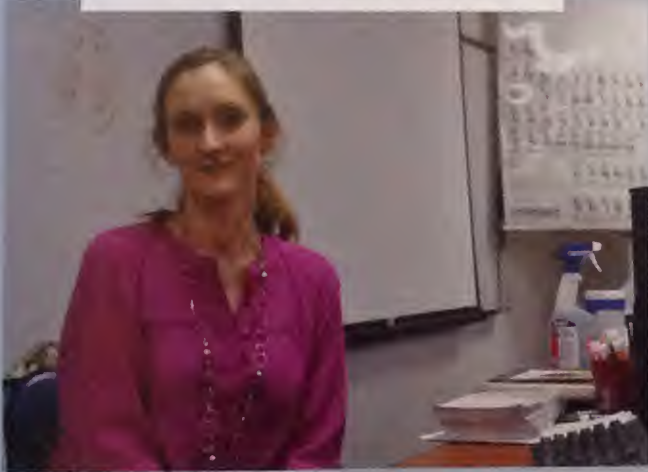

What did you learn? I have learned that college is so different from high school and i love it. You go in as a whole new person without your high school clicks and you can just be who you want to be.

How do you plan to use what you've learned? I plan to use what i have learned for the rest of my life in many ways.

Dr. Harville

Ms. Wamble

Student Name: Chance Amason
Major: Agriculture Information Science and Education
Classification: Sophomore

Why? Because she makes her classes very interesting, and she spends as much time as she needs to making sure the students understand the material before moving on.

What did you learn? Overall I have learned to make the best decisions I can in life and to always take the high road.

How do you plan to use what you've learned? I plan to work with 4-h'ers and teach them how to start making good life decisions and to work hard for what they want, and i feel that the skills I am learning in Mrs. Wamble's class will greatly help in my future.

Student Name: Julia Simmons
Major: Accounting
Classification: Sophomore

Why? Dr. Smith helps us get a better understanding of everything, and he cares about us like he is one of parents.

What did you learn? I have learned self-respect and responsibility.

How do you plan to use what you've learned? I plan to use what I have learned to help me finish college and find a good paying job after i finish school.

Dr. Smith

The year's most
notable campus
events.

Student activities at Holmes give students the opportunity to connect. Whether it is a special event, or a pick-up game of Ultimate Frisbee by the lake, Holmes students have no shortage of opportunities to make new friends.

Connect at Holmes

College is about more than making good grades; it is about making new friends and building lasting relationships. Close bonds in college make all the difference.

All three of our campuses offer students a place to relax before, between or after classes.

Special events like Fall Fest and Spring Fling, give students the opportunity take a break from their studies. These types of events are hosted on our Goodman, Ridgeland and Grenada campuses.

Our Goodman Campus is the only campus that offers on-campus living for students.

Holmes students build relationships that last a lifetime.

Congratulations Class of 2011

Homecoming **2011**

2011 Sports Hall of Fame

Andrew James (A.J.) Kilpatrick is a native of Philadelphia and graduate of Philadelphia High School and of Mississippi College. Kilpatrick is the legendary Holmes Head Football Coach, who led the team to victory in the 1981 Mississippi Junior College State Football Championships. As a career coach, Kilpatrick coached on the high school and junior college levels for almost 40 years.

Brandon resident Dr. Donald E. Phillips is a 1952 graduate of Holmes Junior College. While at Holmes, Phillips was a member of the 1951 and 1952 state championship basketball and baseball teams. He was also named Mr. Holmes.

A native of Eupora and a graduate of Eupora High School, Lance Pogue is not only a national football coaching legend, he is also a 1989 graduate of Holmes Community College. While at Holmes, Pogue was a star member of the Holmes Football Team. After graduating from Holmes, Pogue went on to Delta State University where he earned bachelor's and master's degrees in education. Pogue is nationally recognized for his outstanding achievements as a coach.

Even in high school, Alvin McKinley was a standout student and athlete. After winning two state championships at Weir High School, McKinley joined the ranks of the HCC Bulldogs as a defensive tackle in the fall of 1996. In addition to being a football star, McKinley maintained a 4.0 GPA during his sophomore year at Holmes. He was also involved in other areas of campus life, including intramural sports.

Tupelo resident David Springer attended Holmes Junior College from 1968 to 1970. While at Holmes, Springer was a member of the basketball team, where he and his teammates had the opportunity to participate in the National Junior College Playoffs in Paducah, Kentucky. As a track star at Holmes, Springer held the state championship records in the mile, half-mile and anchor leg mile relay during his sophomore season. In 1970, Springer was named Outstanding College Athlete of America.

Sports Hall of Fame
Holmes Community College
2011

The 1951 HCC Baseball Team had a homrun season, taking home the title Mississippi Junior College Champions.

With their best regular season in 30 years, the '81/'82 HCC Football Team not only won the Mississippi Junior College State Championship, they were asked to play in the Junior College Bowl in Garland, TX. Although the team lost to Tyler Junior College, the Bulldogs carried a regular season record of 10-1 and was ranked 12th in the nation.

2011 Distinguished Alumni

Alumnus of the Year: Dr. Ronald Kennedy

Distinguished Service Award: Johnny 'Bit' Belk

Alumnus of the Year

A resident of Madison County, Dr. Ronald Kennedy is a 1971 graduate of Holmes Junior College. While at Holmes he excelled academically and was a member of the football team.

Dr. Kennedy holds a B.A. degree in Chemistry, Biology and Sociology and a master's degree in Pathology from Ole Miss. He continued his education and graduated with from The University of Mississippi School of Medicine with his MD in 1978. He then completed two residencies at Baylor College of Medicine in General Surgery and Cardiothoracic Surgery.

He holds board certification from the American Board of Thoracic Surgery. In 1987, he returned to Mississippi and became affiliated with the Cardiovascular Surgical Clinic of Jackson and the St. Dominic Cardiovascular Surgical Associates. He served as Chief of Staff at St. Dominic Hospital in Jackson from 2007 through 2009.

He holds membership in numerous professional associations and was the three-time recipient of the American Medical Association's Physician Recognition Award. During his tenure as a practicing Cardiovascular Surgeon, Dr. Kennedy has had several papers published in medical journals.

Distinguished Service Award

Johnny "Bit" Belk, was recently named Distinguished Service Award Recipient for Holmes Community College. A 1958 graduate, while at Holmes, Bit was involved in the theatre groups, participating as a performer in several plays.

After graduating from Holmes, Bit transferred to the University of Southern Mississippi, where in 1962 he received a Bachelor of Science Degree in Accounting. A few years later he continued his education by studying computer science at the University of Louisville.

Bit worked for the Chevron Corporation for 30 years in various accounting positions. He began his career in 1962 as a construction accountant at the Pascagoula Refinery. Thirty-years later in 1992, he retired as the General Manager of Chevron Marketing Accounting at the Corporate Headquarters in San Francisco, California.

As a loyal and strong support of the college, Bit has donated a tremendous amount of his time and other resources by serving as a member of numerous associations, boards, and committees.

Ambassadors

The Holmes Community College Ambassadors serve as HCC representatives to help recruit future students and to promote other services and activities within the college.

Members are chosen by a selection committee during the spring semester.

Throughout the year, Ambassadors participate in a variety of different school and community events.

Each year, Ambassadors participate in a retreat, where they learn everything they need to know about Holmes Community College.

Holmes Ambassadors can be found on Ridgeland, Goodman and Grenada campuses.

In addition to recruiting in local high schools, Holmes Ambassadors also give campus tours to prospective students.

Phi Theta Kappa is an international honor society for community colleges. Its purpose is to recognize intellectual achievement and to provide character, leadership and fellowship among community college students. Membership is by invitation to full-time students having a cumulative GPA of 3.5 or higher

Phi Theta Kappa

Each campus has its own Phi Theta Kappa chapter. The Kappa Alpha Chapter is located at the Goodman campus, the Alpha Lambda Sigma Chapter is located at the Ridgeland campus, and the Alpha Mu Beta Chapter is located at the Grenada campus.

Each year, PTK officers from all three campuses attend regional and national conferences where they compete for recognition. This year's national conference was held in Nashville, Tennessee.

Throughout the year, Phi Theta Kappa chapters at Holmes participate in activities including charity relays, challenge courses, college completion awareness events, campus recycling and more.

Clubs and organizations participate in on-campus and off-campus philanthropic causes including fundraisers and community events.

Club Snaps

Holmes has dozens of clubs and organizations located in Goodman, Grenada and Ridgeland.

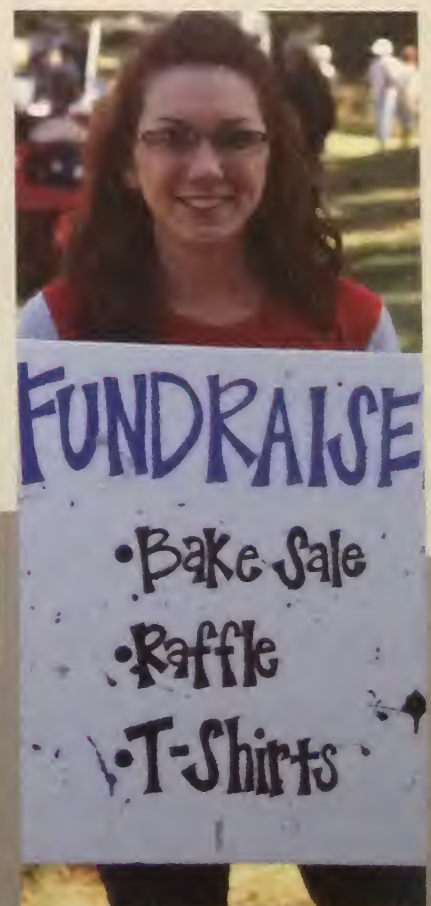

From lab rats to musical stars and religious groups, Holmes has a club or an organization for every interest. It is easy to find somewhere to get involved at Holmes.

We understand that your college experience is more than just academics. Holmes has a variety of organizations and opportunities on all our campuses to help you get the most out of your college experience.

From science to fine arts and everything in between, Holmes has a student club or organization that meets the needs and wants of every student.

Join the Club

Each year, student groups hold a Club Fair, where they tell prospective members what their group has to offer.

Community service is a large part of what clubs and organizations at HCC are all about.

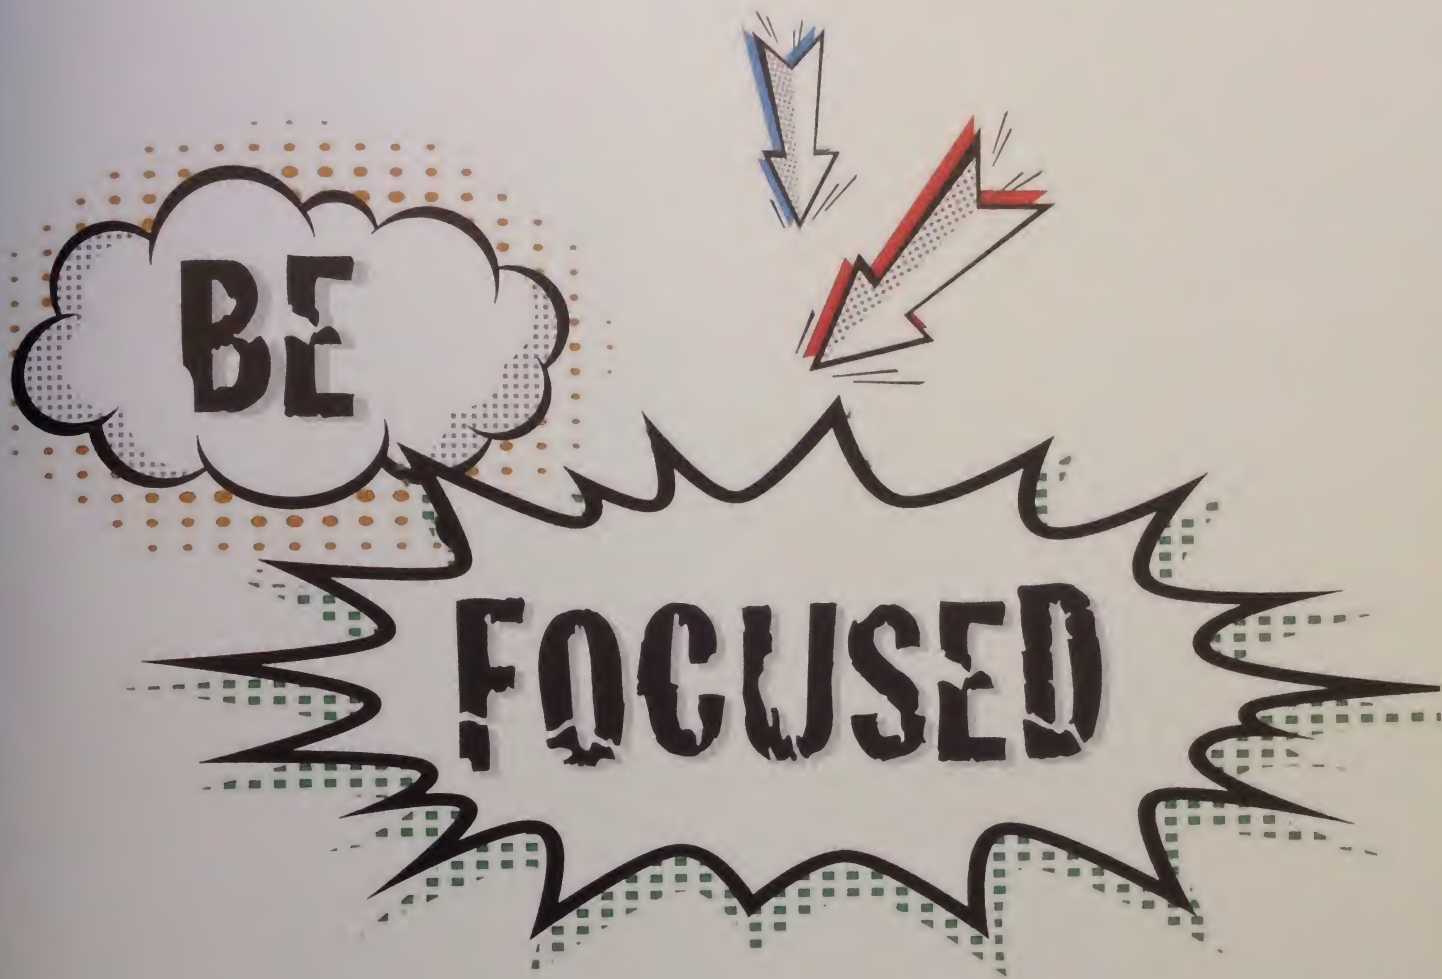

Clubs and organizations at HCC give students and opportunity to connect with faculty, staff, community leaders and other students in a way that encourages leadership development, learning and community involvement.

Student clubs and organizations participate in events including Homecoming, Spring Fling and Fall Fest.

Bulldog Football

The Bulldogs finished the 2011 campaign with a 2-7 record defeating Coahoma and Mississippi Delta in the North Division and falling to Itawamba, Northwest, East Mississippi and Northeast in division play. In non-division play, the Bulldogs fell to Southwest, Jones and Copiah-Lincoln.

Leading rusher from 2011 was Ladarius Redditt from Grenada with 721 yards on 169 carries and 10 touchdowns. Leading passer was Matt Hamner with 910 yards on 91-of-119 passing with five touchdowns and nine interceptions. Dennis Robertson, who finished up the season at quarterback, had 754 passing yards on 50-of-79 passing with five touchdowns and four interceptions. Leading receivers included: Jonathan Rumph, 37 catches for 606 yards and two touchdowns; Ledrick Patterson, 43 catches for 426 yards and three touchdowns; Jamal Bass, 46 catches for 370 yards and two touchdowns; and Jamel Johnson, 24 catches for 320 yards and three touchdowns.

Leading tacklers included: Taj Letman, 46 solos, 13 assists; Bronterious Jakes, 40 solos, 18 assists; Tyler Wiltshire, 36 solos and 31 assists; Bobby Hill, 48 solos, 25 assists; Dahendrick Thompson, 42 solos, 16 assists; Cedrick Tillman, 30 solos, six assists. Hill led in sacks with six sacks. Tillman led in interceptions with two for 32 yards and one touchdown.

Southwest 21-24, 2 OT	Co-Lin 14-47
Coahoma 15-14	Northeast 0-21
Jones 20-38	Mississippi Delta 33-10
Itawamba 27-42	Northwest 41-66
East Mississippi 35-56	

Fall 2011 marked Jeff Koonz's first season as head coach of the Bulldogs.

He came to Holmes from Georgia Military College, where he served as Special Teams Coordinator/ Director of Strength and Conditioning/Defensive Line Coach.

Postseason, Rumph (Cayce, S.C.) was the lone member of the All-State First Team

Offensive lineman Shawn Pee (6'5, 280, sophomore Ethel), Addarius Willis (6'6, 385, freshman, Grenada) Jamarcus Robinson (6'2, 320, freshman, Canton) and defensive back Cedrick Tillman (5'10, 180, freshman, Grenada) were all named Second Team All-State

Named to the All-Star team were Redditt along with offensive linemen Pee and Jamar Caldwell and defensive lineman Alex Poole

Six Bulldogs and five Lady Bulldogs received honors from the MACJC and Region XXIII.

For the men's team, they were: All-Region, Wesley Noble and Charlie Hancock; and MACJC All-State, Christian Eslava, Zach Martin, Travis Offield and Drew Pegues.

For the women's team, they were: All-Region, Liz Moran and Vanessa Gaytan; and MACJC All-State, Carrie Robinson, Ashley Wilson and Amber Sizemore.

Bulldog Soccer

Both the men's and women's soccer teams had great seasons in 2011. The Bulldogs finished the season with a record of 11-3-1 overall and 5-2-1 in the North while the women finished 8-6 and 5-3 in the North.

The Bulldog soccer team went into the state tournament as the North Division's top team while the Lady Bulldogs came in as the second place team.

Both teams fell in the opening round games of the tournament but had great seasons. The Bulldogs fell to Gulf Coast while the Lady Bulldogs fell to Pearl River.

CLINTON — The Holmes Community College Lady Bulldogs battled hard with North Division foe the Itawamba Community College Lady Indians tying the game several times inside the last 10 minutes but couldn't pull out the win as Itawamba advanced to the Region finals with a 62-53 win. With the loss, the Lady Bulldogs ended the season at 17-7.

Dierra Gilmore led the Lady Bulldogs with 17 points while Kierra Gilmore and Kierra Anderson each had 10 points. Anderson led the Lady Bulldogs with 14 rebounds while Louise Collins had nine. Kierra and Dierra Gilmore each had six rebounds.

In the opening game for the Lady Bulldogs, Holmes led by as many as 16 points in the second half versus the Pearl River Lady Wildcats and went on to win 62-48. With the win, the Lady Bulldogs went to 17-6 on the season.

Kierra Gilmore led with the Lady Bulldogs with 18 points. She had three three-pointers and was five-of-six from the free throw line. Dierra Gilmore had 14 points including three three-pointers and hit three-of-four free throws. Louise Collins had 12 points including two three-pointers and was six-of-eight from the free throw line. Collins and Kierra Anderson led the Lady Bulldogs with eight rebounds each.

 Itawamba 53-62

FULTON --- The Holmes Community College Lady Bulldogs went on a 13-0 run, but it wasn't enough as the Jones County Junior College took the lead again with 1:40 to play to pull off a 64-61 win in the opening round of the MACJC State Tournament being held at Itawamba Community College.

With the loss, the Lady Bulldogs fell to 16-6 on the season. Kierra Gilmore led the Lady Bulldogs with 19 points while Louise Collins had 17 and Dierra Gilmore had 11.

Dierra Gilmore led the Lady Bulldogs in rebounds with seven while Kierra Gilmore had six. Dierra Gilmore also had six assists.

Postseason, Kierra Gilmore was named First Team All-State, while Louise Collins and Amber Clay were named Second Team All-State.

Kierra Gilmore was named All-Region. Kierra and Dierra Gilmore and Collins participated in the MACJC All-Star Game. Kierra was named MVP of the game with 14 points while Dierra Gilmore had 10 and Collins had 9.

Postseason, Rowe and Priar were named All-Region while Rowe was named First Team All-State while Lewis and Priar were named Second All-State.

Priar and Dias participated in the MACJC All Star game at East Central. Priar had 12 points while Dias had six points in the game.

Men's Basketball

FULTON --- The Holmes Community College Bulldogs held an 11-point lead early in the second half but failed to score for eight minutes to allow Mississippi Gulf Coast Community College to tie the game at the end of regulation and win the game in overtime, 61-56, in the MACJC State semi-finals.

With the loss, the Bulldogs fell to 17-8 overall. Torrance Rowe led Holmes with 14 points while Priar had 11 and DeAndre Scott had 10. Rowe led in rebounds with eight while Priar and Scott each had six.

In the opening tournament game, the Bulldogs defeated Hinds Community College, 73-64. With the win, the Bulldogs went to 17-7 overall.

Rowe led the Bulldogs with 16 points while Kenitric Gillum followed with 14, Scott 11 and Priar and Lewis each had 10. Priar led the Bulldogs in rebounding with seven while Lewis had six.

CLINTON --- Just because you defeat a team twice during the regular season by an average of 21 points doesn't automatically mean you will win the next one, and the Holmes Community College Bulldogs found that out the hard way falling to Pearl River Community College, 50-49, in the first round of the Region XXIII Tournament at Mississippi College.

With the loss, the Bulldogs ended the season at 17-9 and went 8-4 in the North Division.

Deangelo Priar was the only Bulldog in double figures with 18 points. Slaughter led the Bulldogs with six rebounds while Priar, Demarcus Lewis and Emmanuel Dias each had five.

Buildog Golf

The baseball field at Holmes Community College was named Charlie Donald Field in 2004 after longtime board member and Holmes alumnus Charlie Donald of Goodman. Fully-equipped with video and television equipment and lounge area, the baseball field house and locker room offer players a place to relax before games and practices.

Holmes Athletics

Men's Sports include football, baseball, tennis, golf and soccer. Women's sports include basketball, softball, tennis, cheerleading, and soccer.

This year, Holmes CC launched a comprehensive athletic website that contains information ranging from schedules to rosters. Live video coverage and game highlights are also available at holmesathletics.com.

Football games are the center of student life at Holmes. Students, faculty and staff, alumni and members of the community pack the stands in support of our Bulldog Football team.

Although the HCC Bulldog Cheerleaders are based on the Goodman Campus, they can often be found in Ridgeland and in Grenada, sharing their school spirit across the Holmes District.

Men's and Women's Soccer are the only sports based on our Ridgeland Campus. A new state-of-the-art soccer facility and field are under construction and will be ready for play in 2013.

HCC President, Glenn F. Boyce

Dr. Glenn Boyce came to Holmes Community College as the Vice President for Community and Workforce Development and served as Interim President before becoming the eighth president of the college on March 23, 2006.

He received his Bachelors in Education from the University of Mississippi, Masters in Educational Administration from Mississippi College and Doctorate from the University of Mississippi.

Dr. Boyce began his career as a History teacher and Coach and moved from the classroom to administration, serving as a High School Principal and then as Assistant Superintendent.

He and his wife, Emily, are active in professional and civic affairs and are dedicated members of the United Methodist Church. They have three daughters: Madeline, Brittany, and Danielle.

Dr. Boyce hosted this year's Distinguished Alumni and their guests in his home, located on the Goodman Campus.

Students from all three campuses gathered at the President's home, prior to this year's football season opener.

Dr. Boyce, VP Dr. Jim Haffey and board members celebrate the start of something new in Grenada.

Dr. Boyce challenges Lineman Program students to be world-class prior to the statewide Lineman Rodeo Competition, which was held in Goodman.

Dr. Boyce leads a group of school supporters in prayer at the "ground blessing ceremony" at Granada Center.

The Arts at Holmes.

People always ask what does art mean. Art is just another form of communication, like writing, talking or music.

Aren't the birds communicating when they sing...aren't you communicating when you whistle? But no one ever asks what does the birds singing mean or what does the whistling mean...

John L. Cheatham III, Fine Arts Department Chair

Create at Holmes

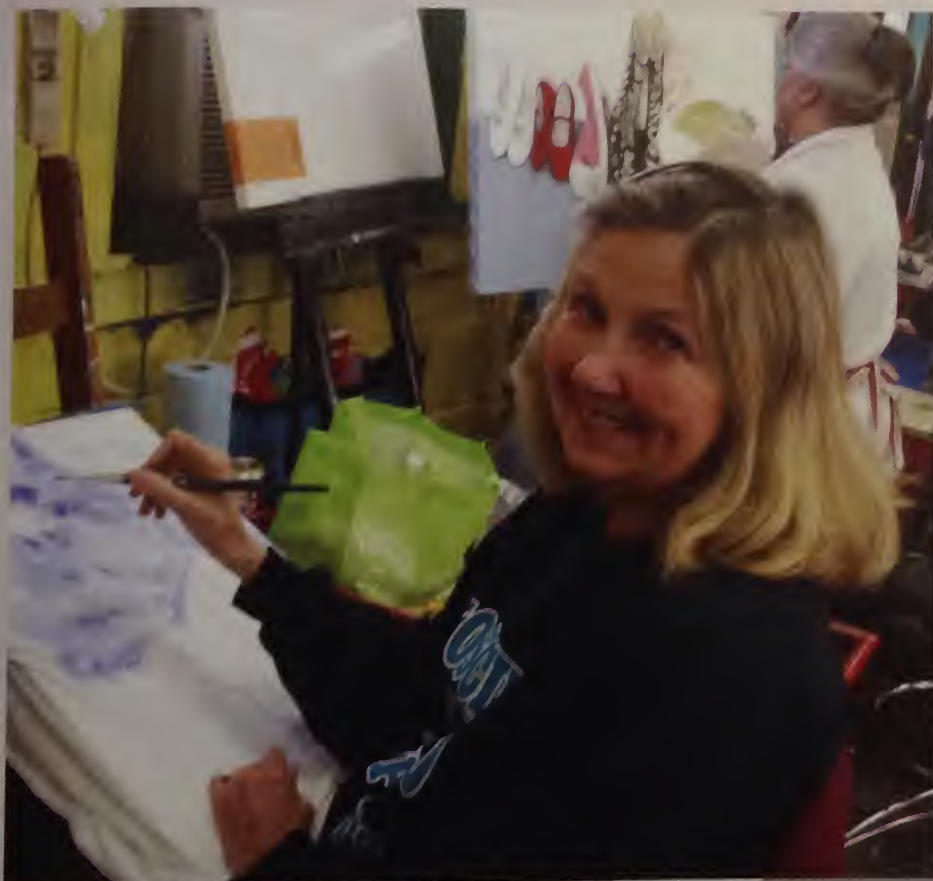

Holmes offers a variety of studio and lecture classes including Art History, Ceramics, Design, Painting and Drawing.

The Visual Arts building on our Goodman Campus, serves as the school's cultural center. Here, you can often find students, covered in paint, and working on projects ranging from found object sculptures to landscape paintings. In addition to serving as a workshop and classroom, this building serves as an art gallery, featuring the work of our talented students.

At Holmes, students have the opportunity to work with professors, who are also working, professional artists.

Composition, Composition,
Composition...

Each year, the Holme-Towne Players present a community children's play on campus and at local schools. This year's performance of Cinderella! was performed in The Theatre for Youth Festival at the Mississippi Theatre Association Convention in Gulfport.

Play at Holmes

This year's spring production, Check Please, was a comedy of errors.

Although HCC has been producing plays through the Holme-Towne Players for years, the drama club has recently broadened its mission to take their show on the road offering a range of drama classes, ranging from acting o technical theatre, roatating them so that each semester the students are exposed to another segment of the world of theatre. During the summer, the department holds a summer theatre camp and conducts workshops to prepare our core acting group for fall productions.

Last fall, students performed *Almost, Maine*, a series of romantic comedies depicting how the Northern Lights in Maine affected different couples. The Holme-Towne Players performed *Almost, Maine* in the Montgomery Fine Arts Auditorium.

The Speech & Theatre Department consists of four full-time faculty members. In addition to regular instructional duties, each faculty member acts as an advisor to students majoring in general studies as well as speech and theatre majors.

In addition to performing on campus, many of our groups participate in festivals and competitions.

Make Music at Holmes

The Holmes Connection! gives special performances at on-campus events including Parade of Beauties, Carols of Christmas and the annual Spring Pops Concert.

In addition to the Marching Band, Holmes students have the opportunity to be involved in Jazz Band, Steel Band, and Percussion Ensemble.

The Jazz Band provides entertainment in the Grove on the Goodman Campus.

Throughout the year, the choral department puts on several concerts such as Carols of Christmas and their spring Pops concert as well as smaller concerts and recitals in the Chapel.

Students at Holmes can make music at Holmes by joining any of the seven different performing groups in the Fine Arts Department.

Goodman

Also known as our "home campus," the Goodman Campus of HCC is the oldest branch of the Holmes Community College tree. Goodman is home to the majority of our administrative offices and the only campus that offers dorm living to our students.

Goodman is located in the eastern part of Holmes County. This campus has 198 acres and 24 buildings.

Located on Goodman, McDaniel Hall is the school's oldest and most recognizable building. This building was one of three original buildings of the Holmes Agricultural High School. Built in the early 1900s, McDaniel Hall is currently used as a hub of activities and student services. McDaniel Hall also houses classrooms and administrative offices.

GOODMAN CAMPUS

This campus has an enrollment of nearly 1,500 students.

HOLMES COMMUNITY COLLEGE

 Campus Parking Lots

This campus is the only campus that offers dorm living and offers student activities such as varsity sports, band, and choir.

Grenada

Our Grenada Campus was established in 1985. Grenada is 90 miles south of Memphis.

The Grenada campus is the smallest location in size, but has an enrollment of almost 1,700 students. This campus has some of the best academic and career-technical programs around.

This Grenada Campus offers a wide range of liberal arts courses that are transferable to senior colleges.

This campus works with the University of Mississippi to offer master's degree programming for students.

Technical program in Automated Systems Technology, Business & Office Technology, Computer Programming Technology, Conservation Law Enforcement Technology, Electronics Technology, EMT/Paramedic Engineering Technology, Forest Technology, Precision Machining Technology and Surgical Technology are available on this campus.

This college is the only college in a 50 mile radius, which is a huge benefit to students around this area.

Holmes in Grenada is on 14 acres with 3 buildings.

In addition to offering classes, the Grenada Campus serves as the cultural center for the City of Grenada, hosting performing arts events throughout the year in conjunction with the Grenada Arts Partnership.

Ridgeland

This campus offers day, evening, online and hybrid classes. The enrollment at Holmes in Ridgeland exceeds 4,000 students.

The library on our Ridgeland Campus is equipped with everything our students need to be successful.

Ridgeland is located right outside of Jackson, MS. This campus has 40 acres and 5 buildings.

This campus offers technical programs in Associate Degree Nursing, Business & Office Technology, Computer Networking Technology, EMT/Paramedic, Engineering Technology, Funeral Service Technology, Industrial Maintenance Technology, Occupational Therapy Assistant Technology, Paralegal Technology and Software Engineering Technology. A career program in Practical Nursing is also available.

The Ridgeland campus has totally new and modern facilities, which enable this campus to offer a variety of academic and technical programs. All of the instructional programs are equipped with state-of-the-art equipment.

The academic programs at Holmes are designed to make transferring to a senior university as easy as possible.

The Ridgeland Holmes campus was established in 1990
The Ridgeland campus continues to grow in students
and in programs

Our Ridgeland Campus is conveniently located off of Interstate 55 in the Jackson Metro area.

Our Editors

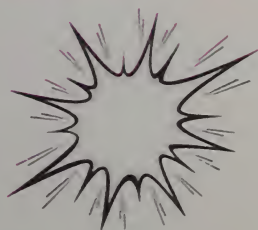

It has been a great year! We have worked hard to make this year's yearbook a special treasure for you to take with you on life's journey.

I have had the opportunity to serve as an active member of various campus groups and organizations ranging from yearbook staff and band to Phi Theta Kappa.

My time at Holmes has been filled with great friends that will be with me for the rest of my life.

Kandace McDaniel

Editor

MADISON HUSE

editor.

"In all these things we are more than conquerors through him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord."

-Romans 8:37-39

The saying that "time flies when you're having fun" couldn't be more true. As my last semester at Holmes wraps up, all I can do is thank God for the past two years. They've been full of ups and downs, new friends, hard classes, and tons of experiences I would never trade for anything else. The friends I've made here at Holmes, are ones that I'm sure will be with me for many years to come. This yearbook sums up the past year here at Holmes, but in no way can it capture all the priceless moments.

I hope y'all enjoy it! - MH

NOELLE GRANGER

editor

Dedication

Virginia Hathcock

Virginia Hathcock

For more than 30 years, Virginia Hathcock was dedicated to Holmes Community College and its students, working as a key member of the Financial Aid Department.

Virginia came to Holmes in 1976. Throughout her career, she was instrumental in developing and implementing many of the Financial Aid programs and processes that are in place today.

Virginia has been described by her coworkers as "dedicated, reliable, patient and gifted in dealing with people," according to retired Financial Aid Director Wirt Hayes.

It is for her years of dedication and service to the students, faculty and staff of Holmes Community College that we dedicate this edition of Horizons to her.

Dedication

Dan Edwards

Dan Edwards

Throughout his life and career Jesse Daniel "Dan" Edwards has worn his share of hats including that of a family man, a military hero, business leader, educator and coach.

Dan is a graduate of Holmes Junior College and of Mississippi State University. After a career in the armed forces, Dan worked as a high school teacher and coach and in the world of business, owning and operating Shoccoe Farms, a small business specializing in cattle, horses and a variety of greenhouse plants.

Dan joined the Holmes Community College family in 1994, as the Director of Grounds. During his time at Holmes, he also worked as an instructor and began the Women's Softball Program, building the field and serving as a successful and loved Head Coach.

This edition of Horizons is dedicated to Dan for his years of coaching, service and commitment to the students, faculty and staff of Holmes Community College.

Index

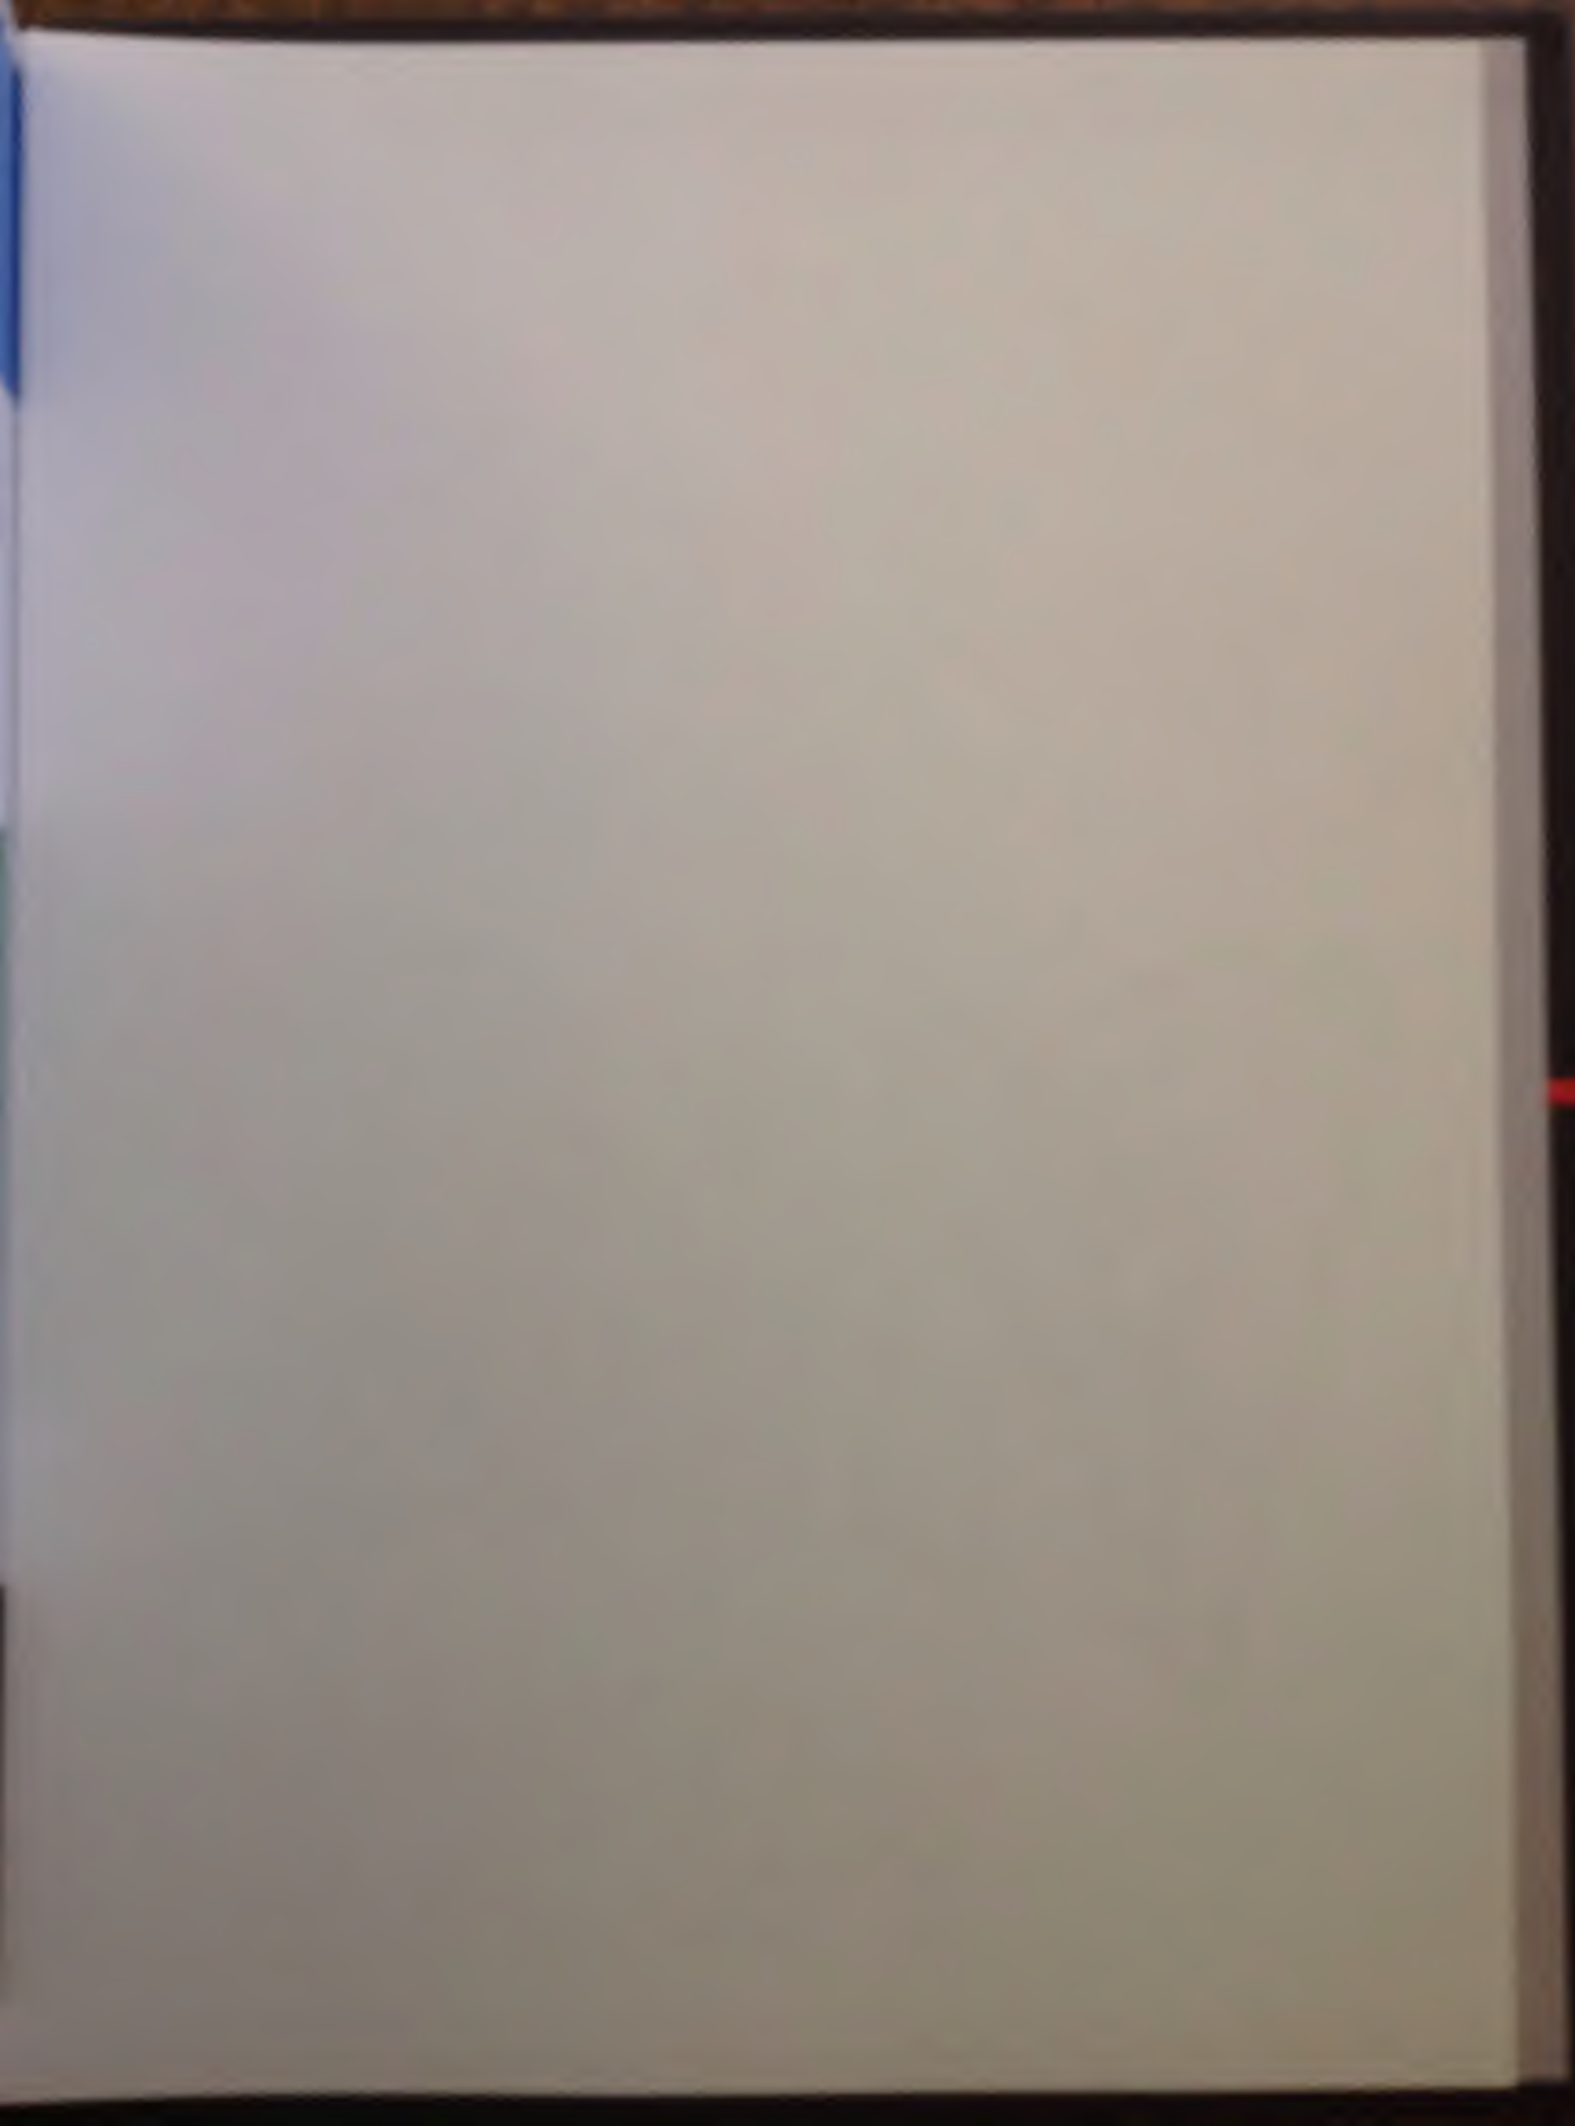

Colophon

The 2011/2012 Volume of the Holmes Community College Yearbook, Horizons, was printed by Walsworth Yearbooks. Fonts used in the 224-page book include Futura and Impact. Headshots were taken by Jackson-based Southern School Images. All pages were built and organized using Walsworth tools.

Editors Noelle Granger, Madison Huse and Kandace McDaniel worked with Advisers Courtney Lange and Steve Diffey to create the content and design elements of the book.
